

Peer Recovery Education for Employment

Building a Culture of Recovery

 A comprehensive education strategy

A Program of: *Krasman*centre

The Peer Recovery Education for Employment Program is a comprehensive series of courses and trainings about recovery. The program is designed to support your personal recovery and support you to enter or progress in the peer, recovery, mental health, or social service workforce.

The package of recovery education programs include:

Orientation to Wellness Recovery Action Plan (WRAP)
Like Minds: Peer Support Education
WRAP Facilitator Certification
Pathways to Recovery
Basic Short Term Crisis Intervention
Gaining Autonomy with my Medication

Additional education and support for leadership is provided using monthly network meetings for program participants, regular personal transformation tracking and program monitoring. A yearly summit welcomes the broader recovery community. To graduate, you must complete all components of the program.

The **objectives** of the program are to:

- To support a personal foundation of recovery for program participants
- Nurture a critical perspective regarding personal and systemic factors that support recovery
- Develop skills and capacities to deliver wellness and recovery programs in the workplace
- Create recovery supporting workplaces
- Initiate a support network for people in recovery

If you are interested in participating in this program, please review the following required commitments and complete a copy of the application online.
